Název skladby „Stíny a odlesky“ souvisí s názvem českého souboru Mondschein, pro který původně vznikla. Za měsíčního svitu vznikají často tvarově bizarní stíny a odlesky. Proto i moje skladba má několik rozdílných částí. Tak jako stíny a odlesky měsíčního svitu jsou ve své podstatě několikanásobným odrazem slunečního světla, i v mé hudbě je několikanásobný „odraz“ soudobého hudebního světa, který mne obklopuje. Snažil jsem se vnitřně vyrovnat s přebujelou hudební současností. Snad právě proto ta až záměrná různorodost, snad proto ty reminiscence, snad proto ta touha po syntéze.

Skladba „Stíny a odlesky“ měla premiéru 14. prosince 1999 v Praze na koncertě Umělecké besedy. V roce 2000 jsem skladbu přepracoval a rozšířil o tři části. Tato konečná verze byla poprvé provedena na koncertě souboru Mondschein v Praze 30. října 2000.

The name of my composition “Shadows and Reflections” is bound with the name of Czech ensemble “Mondschein”, for which was originally my piece written. During the moonshine we can often see very fantastic shapes of shadows and of reflections. Therefore my composition contains several different movements. As shadows reflections of moonshine are multiple reflections of sunshine in their essence, as my music is multiple “reflection” of contemporary musical world, which gathers me around. I tried to deal with the rampant contemporary musical present. Perhaps just for that reason is my music too deliberately diverse, perhaps on that account it contains the reminiscences, and perhaps therefore that thirst for synthesis.

First performance was in December 14th, 1999 in Prague. In the year 2000 I revised the piece and I added yet three movements. First performance of this definitive version was at the concert of Mondschein Ensemble in October 30th, 2000 in Prague.
